DAY JOBS

- **Michigan Real Estate Photography**
Photographer/Photo Editor | Jan 2017 - Present
On a daily basis, I photograph real estate properties (interiors, exteriors, and vacant land) using DSLR cameras, various lenses, and camera equipment. I also edit photos using Adobe Lightroom, Photoshop, and other programs. Photos are generally used for marketing purposes.
- **Great Land Appraisal**
Assistant to Real Estate Appraiser | Jun 2012 - Present
On a daily basis, I assist the real estate appraiser in various tasks such as scheduling, field work that includes photography and long distance travel, working with clients, and property research.
